Subject: Re: NOV for Greenleaf Power Plant

Hello All,

I wanted to follow up on this email and ask if there are any updates on Desert View's response to this NOV or request for a conference? If I understand correctly the 30-day period will be over on Monday, July 18th right?

Best,

Mariela

Hello Mariela,

It's nice to meet you. Thank you for expressing interest in this matter. Per your request, two pdf files attached to this email contain the Finding and Notice of Violation issued to Desert View Power and its corresponding cover letter. Please let us know if you have any questions.

Subject: NOV for Greenleaf Power Plant

Hello Roshni Brahmbhatt,

My name is Mariela Loera, I am a Policy Advocate at [Leadership Counsel for Justice and Accountability](#) based in the Eastern Coachella Valley office. I am part of the Community Steering Committee (CSC) as part of the AB 617 effort with the South Coast Air Quality Management District.

I wanted to follow up with you on the presentation you gave in our last CSC meeting (June 23) related to the Greenleaf Power Plant and ask if you can share the Notice of Violation the EPA issued to them as discussed during the meeting.

Best,

Mariela
